REQUEST FOR RE-MAILING OF ACTION

Commissioner for Patents
Washington, D.C. 20231

Sir:

The above-mentioned application was filed with the U.S. Patent and Trademark Office on January 26, 2001 without an executed Declaration. To date, the undersigned has not received the Notification of Missing Requirements for this application. A telephone call was made to the PCT Branch (703-305-3257) on July 23, 2001 to find out the status of this application. The undersigned was then informed that a Notification of Missing Requirements was mailed in on February 12, 2001. To this date, a Notification of Missing Requirements has not been received. A copy of the undersigned's incoming mail log for the month of February supports the fact that a Notification of Missing Requirements has not been received by the undersigned.

dc-272191

Under these circumstances, therefore, it is respectfully requested that the Notification of Missing Requirements dated February 12, 2001, be re-mailed and a new shortened statutory period for response be set.

In the event that the Patent and Trademark Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 449122001300. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Respectfully submitted,

Dated: July 23, 2001
